## THE SOUL'S GAME VS. GEORGIA (Week 6)

**Offensive Player of the Game:** Troy Bergeron (GEO)

**ADT Defensive Player of the Game:** Hamin Milligan (GEO)

**Ironman of the Game:** Chris Jackson (GEO)

**PHILADELPHIA** -- Chris Greisen threw seven touchdown passes to help the Georgia Force beat the Philadelphia Soul 57-49 in the Arena Football League.

Greisen was 22-of-29 for 344 yards, and Troy Bergeron led the Force in receiving with eight catches for 182 yards and four touchdowns. Chris Jackson added eight catches for 124 yards and two scores.

Georgia improved to 5-1 with Monday night's win in Philadelphia.

Tony Graziani threw three TD passes for the Soul, who lost for the first time in five games.

## THE COACHES

### **Bret Munsey (2<sup>nd</sup> Season) (13-8 regular season, 1-1 postseason)**

Bret Munsey became the third head coach for the Philadelphia Soul and helped led them to their first postseason last year. He compiled a 9-7 regular season record for the first winning season in the Soul's three-year history. Following the 2006 season, he received a two-year contract extension through the 2008 season.

Munsey, 38, came to the Soul after serving on Orlando's staff for three seasons under Jay Gruden. After joining the Predators in 2003 and serving as the team's offensive coordinator and wide receivers/defensive backs coach, he was promoted to assistant head coach in August of 2003. This role also included his director of player personnel and defensive coordinator roles throughout his final two seasons there.

In 2005, the Predators finished with a 10-6 regular season record and lost in the conference finals to the Georgia Force. The team ranked third in the League in scoring defense (47.2 ppg), fifth in total defense (269.2 ypg) and second in pass rating defense (98.9).

In his role as defensive coordinator, Munsey organized Orlando's defensive game plans and served as defensive backs coach. His 2004 defense ranked first in the league in scoring defense (43.1), total defense (236.8 ypg) and pass rating defense (95.7).

The Soul look to capitalize on Munsey's defensive knowledge. Philadelphia was the worst in the League against the run last season, allowing 576 yards. They also allowed the second most touchdowns in the League and made the least amount of tackles. Cutting down on stats like these are Munsey's top priority.

### **Will McClay (4<sup>th</sup> Season) (33-20-1 regular season, 1-1 postseason)**

Will McClay is in his fourth season at the helm of the Dallas Desperados after leading his 2006 squad to a league-record tying 13-3 record. The team fell one game short of reaching ArenaBowl XX, but McClay was honored as the AFL's Coach of the Year.

McClay was named the Desperados head coach on Feb. 5, 2004 - just three days prior to kicking off the 2004 season - after former head coach Joe Avezzano announced his resignation to return to the NFL. With a 6-10 record in his first year at the helm, McClay improved the club's record in his second season to 8-7-1 and accomplished the same feat in his third season, leading the Desperados to their best record in franchise history, 13-3, their second division title - first ever Eastern Division title - and the team's third trip to the postseason. He remained the team's defensive coordinator for three years while serving as the club's head coach, but will hand the defensive coordinator role to James Fuller for the 2007 season.

McClay played a key role in bringing quarterback Clint Dolezel to help lead Dallas to the playoffs and their second division crown in 2006. McClay was also instrumental on re-signing key starters in Dialleo Burks, Will Pettis, Jason Shelley and the 2006 AFL Lineman of the Year Colston Weatherington. While still holding onto the role of defensive coordinator, McClay's defensive unit was the stingiest in the league, allowing just 44.4 points-per-game. His work allowed Dallas to become just the fourth team in league history to lead the league in points-per-game while giving up the fewest points on defense. The defense's success is evidenced by allowing just seven points-or-less in 30 quarters and pitching shutouts in 11 of those quarters.

In McClay's second season leading the Desperados in 2005, he improved the club's 6-10 finish in 2004 to 8-7-1, and his defense finished the 2005 season as the league's stingiest in opponents completion percentage, allowing opposing quarterbacks to complete just 58.0% of their passes. His defense finished second in the league in passing yards-per-game allowed (238.3) and third in the league in yards-per-game allowed (261.8).

## SOUL'S NOTES AND TRENDS

### **GRAZIANI VS. DOLEZEL**

Soul QB Tony Graziani has faced Dallas QB Clint Dolezel five times in his prolific career, with a record of 6-1. The first and only loss to Dolezel came in 2005 when the Philadelphia Soul fell to the Las Vegas Gladiators in Week 12 after a heart-breaking 27-yard touchdown completion with just one second left on the clock.

### **DOLEZEL IN DISTRESS**

Clint Dolezel threw a total of 11 interceptions last season, six of which came at the mercy of the Soul defensive secondary. Philadelphia's Eddie Moten picked off four Dolezel pass attempts last year, totaling over one-third of the quarterback's interception nightmares.

### **TRUE RIVALRY**

This week the Blue and Grey will travel to Dallas to take on the Desperados in a true division rivalry. The Soul have a 3-3 all time record against the Desperados.

### **STREAK IS OVER!**

After making at least one interception in seven straight games, Eddie Moten's streak ended last week against Georgia. His streak began on April 29, 2006 against the New York Dragons.

### **MIC CHECK 1 - 2**

This week's contest for the Soul, who are ranked second in the Eastern Division, will pin Philadelphia against the Division leading Dallas Desperados. Dallas has beaten opponents by an average of 18 points while Philadelphia is ranked second in point differential with a 16.6 margin of victory.

### **THE LONE SOUL FROM THE LONE STAR**

Eddie Moten is a native from the Dallas area and played at Texas A&M-Kingsville for his junior and senior years. He recorded 61 total tackles, nine interceptions and 17 pass break ups in his two seasons.

### **WHAT'S GOING ON**

Eddie Moten is in the process of testing his skills right now, but in a different way. For four consecutive weeks he has the task of defending former Offensive Player of the Year winners. It began four weeks ago when he was faced with containing Damian Harrell of the Colorado Crush (2005-06). He then faced Mike Horacek (2000) of New York and took on Chris Jackson (2003) last week. This week, it doesn't get any easier as he will take on Marcus Nash (2004) of Dallas.

### **MILESTONE**

Tony Graziani has reached yet another milestone in his career. He has thrown 1,600 career completions. He had 22 completions last week putting him at 97 for the season.

### **YO, PAULEY!**

Soul receiver Charles Pauley has compiled 600 receiving yards already this season after totaling a career-high 646 yards last season.

### **BIG EAST BASH**

Soul fullback Wes Ours (West Virginia) and Dallas fullback Duke Pettijohn (Syracuse) were Big East Conference rivals during their college football days.

### **REMEMBER ME?**

Soul offensive lineman Martin Bibla and Desperados kicker Todd Sievers are former college teammates at the University of Miami. Also, Moten and Desperados lineman Jeff Chase both played college football for Texas A&M Kingsville.

### **TWO & TWO; RIGHT BACK ATCHA**

The Soul defeated the Desperados both times the teams met last season. Philadelphia edged the Desperados 55-51 in Dallas during Week 9, and then squeaked by them again 51-48 in Philadelphia in Week 15.

### **DEFEATED**

Georgia handed the Soul their first loss of the 2007 season, ending their undefeated season at 4-0. That mark was the best start in Philadelphia franchise history and they remain 1-0 in division play.

### **THIRD QUARTER CRUNCH TIME**

During the first three weeks of play for the Soul, the team has averaged 16 points per game during the third quarter. The past two weeks haven't been the same for the Philadelphia offense as they've only managed seven points in each of the past third-quarter time periods.

### **REDZONE RANKINGS**

Philadelphia leads the League in team offense inside of the 10-yard line, scoring 17 touchdowns in 19 redzone appearances for an 89.5% rating. Dallas is number two in the League in Redzone scoring with 29 touchdowns and two field goals for an 87.9% rating on 33 attempts.

### **SCORING BY ALL MEANS NECESSARY**

The Blue and Grey also leads the AFL in the Miscellaneous Scoring category with seven miscellaneous touchdowns as a result of stingy defense and opportunistic special-teams play. Three fumble recoveries in the end zone, two interception returns for touchdowns, one kick-return and one missed field goal taken back for touchdowns prove the Soul can and do score by all means necessary.

### **THE PRICE IS RIGHT**

Soul fullback Idris Price banged his way into the Georgia end zone three times in the 57-49 loss to the Force, upping his season total to five rushing touchdowns.
